

Shoshone Education Foundation wants you!

Want to be part of a great organization? Then the Shoshone Education Foundation (SEF) is the group for you! What is the Shoshone Education Foundation, you ask? It's a group of citizens from the community that work collectively to raise money for the foundation. The SEF then uses those dollars to provide scholarships for our graduating seniors, to fund events that enrich and expand the students' academic experience, and provide support to classrooms for special projects.

The Shoshone Education Foundation is very excited to announce their contributions to Shoshone students and programs for 2022. The foundation awarded over \$21,000 in college scholarships, \$5,626.00 in profit share to SHS clubs and organizations, \$1000 field trips and special events.

We are looking for community members to be part of the organization.

Enjoy the history: In 1995 the Shoshone Education Foundation was formed. The first board consisted of Victor J. Bozzuto, Virginia Churchman, Max Excell, Ken Haught, Donna Hibbard, Gale M. Roberts, Denise Stark, Chris Uhrig, and Terry Zech. Virginia Churchman was elected Chairperson, Ken Haught, vice Chairman, Victor Bozzuto, treasurer and Chris Uhrig secretary.

The goals of the Foundation were and are:

- To provide scholarships to graduating seniors of Shoshone High School for the pursuit of higher education,
- To provide art events for students to enrich and expand their academic experience, and
- To provide support to classrooms, while assisting teachers with special projects.

The Foundation supports all students, including those pursuing 2 and 4 year degrees from universities, and those pursuing Vocational Technical degrees.

We would love for you to join us in our efforts to continue the good work that was started by those before us!
