

Shoshone Joint School District No. 312

Student Fund Raising Activities

The Board acknowledges that the solicitations of funds from students, staff and citizens must be limited since students are a captive audience and since solicitation can disrupt the program of the schools. Solicitation and collection of money by students for any purpose, including the collection of money by students in exchange for tickets, papers, magazine subscriptions, or for any other goods or services for the benefit of an approved school organization, may be permitted by the Superintendent or their designee provide that the instructional program is not adversely affected.

For safety reasons the District discourages students going door-to-door with fund raising activities.

Solicitation of funds by organizations not affiliated with the school will not be permitted on the school premises.
