

Student Vehicle Parking

Students are permitted to park on school premises as a matter of privilege, not of right. Patrols and inspections may be conducted without notice, without student consent, and without a search warrant. Students are required to unlock vehicles for reasonable inspection when required to do so by an administrator. Failure to cooperate may result in the loss of permission to drive a vehicle onto campus, in-school suspension or short-term suspension from school. In cases involving drugs, alcohol or firearms, the local sheriff or police may be called.

Students will be permitted to park their vehicle in the school parking lot provided they have:

- b. Driver's license; and
- c. Vehicle registration.

Additional parking requirements may include:

3. The Shoshone Joint School District assumes no responsibility of automobiles left in the lot overnight.
4. The Shoshone Joint School District is not responsible for theft or damage to automobiles parked in the student parking lot.
5. The student parking lot is off limits during normal class time, except when the student has written permission from an administrator.
6. Students are prohibited from loitering in the parking lot. Students must enter the building immediately upon arrival.
