

Video Surveillance

Having carefully weighted and balanced the rights of privacy of students, staff and visitors against the District's goal of ensuring the safety of every student, employee and visitor while they are on school district property and also accomplish the goal of safeguarding District facilities and equipment, the Board hereby authorizes the use of video cameras on District property as follows:

Video surveillance shall be used to promote order, to maintain the security, health, welfare, and safety of all staff, students and visitors on District property, and to safeguard District facilities and equipment.

The District shall notify staff and students through student/parent and staff handbooks that video surveillance may occur on District property. Additionally, notices shall be posted on or about School District property alerting those on School District property that the district is utilizing the use of Video Surveillance.

Review of any video recordings is restricted to those who have a security, safety or a legitimate educational interest.

Video recordings may become a part of a student's educational record or a staff member's personnel record. The District shall comply with all applicable state and federal laws related to record maintenance and retention.

Video surveillance may be used for investigations of criminal activity by appropriate law enforcement agencies and may be used by the School District to investigate violations of School District policy.

Students or staff in violation of Board policies, administrative regulations, building rules, or law shall be subject to appropriate disciplinary action. Others may be referred to law enforcement agencies.

Video cameras may be installed in public locations as deemed appropriate by the Superintendent, and shall not be installed in areas with a reasonable expectation of privacy.

Audio shall not be part of the video recordings made, reviewed, or stored by the District.
