“Why do I need extra protection?”

Protecting your family’s future through your pension benefit is something you can feel good about. But, how would your family support themselves if something tragic happened to you before you could accrue a substantial pension benefit? Even if your pension were sizeable, how much of it would be eaten up by costly final expenses?

Designed for employees of all ages, this Group Decreasing Term Life Insurance plan is valuable for...

Members Under 50:

It provides a substantial benefit—an easy way to supplement pension survivor benefits during the early family-building years when pension plan survivor benefits are lower and your family’s needs are greatest.

Members Over 50:

It provides a good way to help cover incidental expenses associated with death—like those for burial, medical, and debt, so other life insurance coverages can be used to maintain your family’s lifestyle.

“What coverages can I get?”

For an affordable price, you get all of the following coverages for you and your family.

Group Decreasing Term Life

This coverage—which pays your beneficiary a maximum benefit amount in your younger years and a gradually decreasing benefit amount in your older years—will help give you peace of mind for your family’s well-being.

Accidental Death & Dismemberment (AD&D)

This additional coverage pays you or your beneficiary a benefit for loss of life or other injuries resulting from a covered accident—100% for loss of life and a lesser percentage for other injuries. Injuries covered may include loss of sight and dismemberment of hands or feet.

AD&D Exclusions—No benefit will be paid due to loss from the following: war; suicide or attempted suicide; any bacterial or viral infection (unless the infection was the result of an accidental cut or wound), bodily or mental infirmity or disease, or medical or surgical treatment thereof; or by aircraft travel if you have any duties aboard the aircraft, or if you are giving or receiving training for such duties.

Dependent Term Life

This plan provides Group Decreasing Term Life Insurance for your spouse and a flat benefit for all your dependent children. The benefit amount will be paid to you in a lump sum on an eligible dependent’s death due to any cause. Spousal benefits are determined by your age at the time of your spouse’s death.

“How much does this coverage cost?”

Coverage is available at a lower group cost through the purchasing power of the National Conference on Public Employee Retirement Systems. Every member, regardless of age, pays the same cost—just \$16 a month. Your cost does not increase with your age. The plan pays a maximum benefit amount in your younger years and a gradually decreasing benefit amount in your older years.

“What are the advantages of this insurance?”

- **Guaranteed Acceptance**—no health questions asked.
- **24/7 Coverage**—on or off the job.
- **Affordable Group Cost**—\$16 a month regardless of your age.
- **Easy Payment**—by automatic payroll deductions.
