A New Way to Enjoy Winter Weather: Peak Season Passports for 5th Graders from Ski Idaho

Parents looking for a way to keep kids engaged and healthy this winter now have the opportunity to hit the slopes with help from Ski Idaho. The Ski Idaho 5th and 6th grade Peak Season Passport gives kids three free days of skiing or boarding at 17 locations across Idaho. To apply, parents can submit an application from the Ski Idaho registration page with a one-time \$29 processing fee. Ski Idaho will then email parents the passport for immediate use. Parents can print the passport or use their smartphone to supply it at the hill of their choice.

Please note that participating ski hills reserve the right to limit passport use for ski racers, on race days and on any scheduled blackout dates that may apply. Check with your ski hill for full details.

Go here <https://skiidaho.us/passports/registration> to learn more about the program, participating hills and more.

READ LIKE AN INDIAN

Our students set a three month reading WIG (Wildly Important Goal) and **some** achieved their goal EACH MONTH! Each month that your child reached their goal, they received a punch on their punch card. After the third punch on the card, your child earned the opportunity to be recognized at the Boys Varsity Basketball, "Read Like an Indian", half-time on Wednesday, January 15, 2025.

If your child earned the goal, a letter was sent home along with their punch card last week. Please read your letter for more details.

SHOSHONE ELEMENTARY SCHOOL has decided to hold a Read-A-Thon this year!

Read-A-Thons actually get your reader excited about reading and it gives friends and family the opportunity to encourage your child to read even more.

Our Read-A-Thon starts Monday February 3, 2025.

About one week before our Read-A-Thon starts we will send home instructions on how to activate your reader's personal page. This is where you will be able to view and record their progress.

We encourage you to activate your reader's account today by going to:

<https://www.read-a-thon.com/readers/r/313430343733/1> and following the simple instructions.

We've chosen a Read-A-Thon because it will not take much of your time, gives your child a reason to read and helps in the development of stronger reading skills.

We hope EVERYONE participates.
